THIS IS

Frau Walraute Holst

IN APPRECIATION

Mrs. Mehl has served as a Secretary in the Counseling Office for more than ten years. In proving to be of major assistance to the counselors, teachers, and pupils of Cleveland, her duties have included those of a receptionist, the processing of withdrawn students, checking needed pupil information for the counselors, mailing out failure notices, answering the telephone, performing typing chores for the counselors, and the handling of forms for government surveys, pupil drop-outs and pupil testing, and the taking of dictation and many other duties which allow for the efficient and helpful functioning of the Counseling Office. Mr. Hasser has often spoken of how consistent a hard worker she is. In the words of Mr. Carlisle, "She is one of the hardest and most dedicated Secretaries at Cleveland."

Mrs. Walraute Holst was better known at Cleveland as "Frau Holst." She joined the St. Louis school system in 1937. Most of these years found her teaching at Blow School. In 1959, she came to Cleveland.

Born in Hamburg, Germany she came to St. Louis at a very early age. Beside sponsoring the German Club at Cleveland and her teaching of different courses in the German Language, she also strengthened her department. In order to increase her teaching skills her acdemic studies took place at Harris Teachers College, St. Louis University, the University of Iowa, the University of Colorado and at Washington University.

One of her last major extracurricular activities at Cleveland was the lead role which she played in the play Harvey. While she may have been known as Veta Marie in the play she'll long be remembered by the Dutchmen as "Frau Holst."

Mrs. Betty Mehl

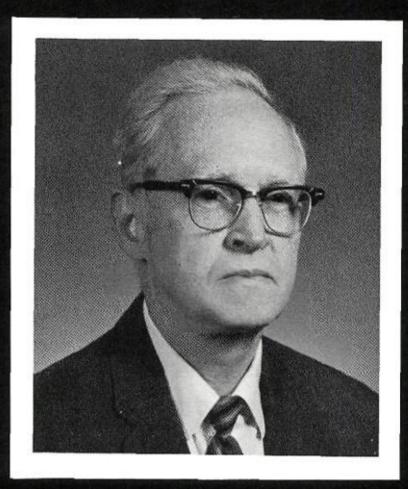

YOUR LIFE

Mr. Thomas Halstead grew up in Terre Haute, Indiana. He studied in his native state at Indiana State University. His later training included Washington University, Harris Teachers College, S. E. Mo. State College, and Wisconsin State College. He earned the Masters of Science Degree.

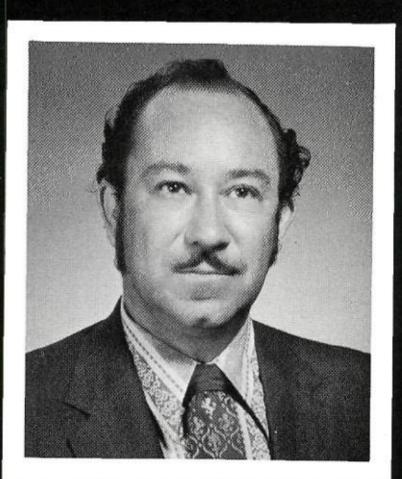

He has previously taught business education courses at Hadley High School and at O Fallor High School. Mr. Halstead arrived at Cleveland in 1960. He originally was a D.E.C.A. Coordinator; later he became an Office Co-op Cordinator at Cleveland.

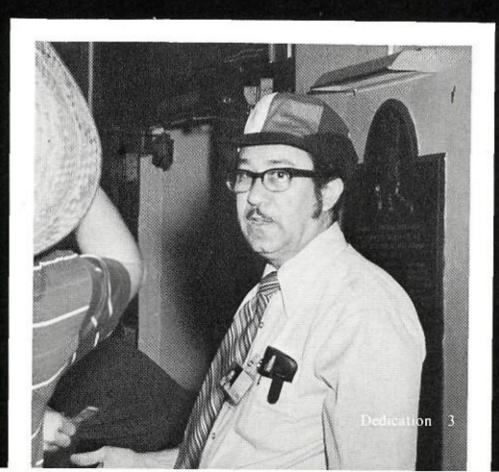

Mr. Thomas Halstead

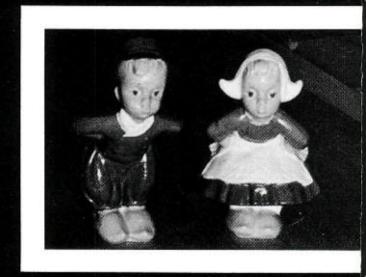

WE DEDICATE

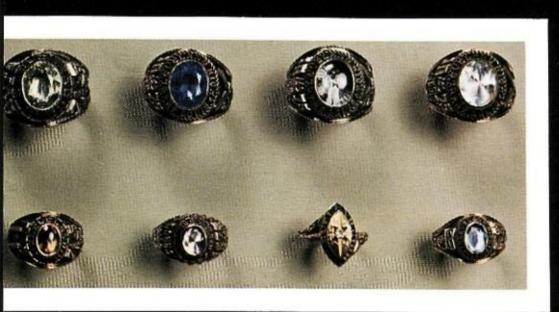

Mr. Pete Mercurio

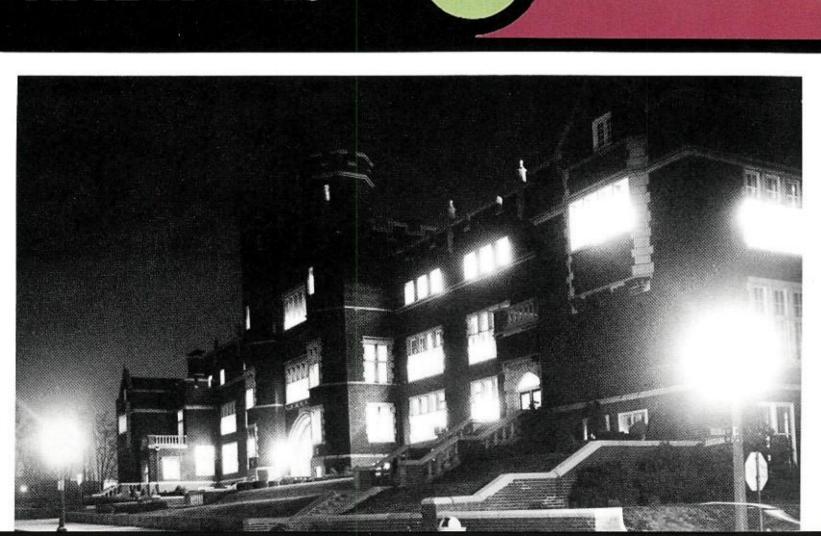

Mr. Pete Mercurio has taught for twenty six years; he has spent most of these years at Cleveland High School. In recent years he has served Cleveland both as the Industrial Arts Department chairman and as Athletic Director. His preparation for these positions has been acquired at Miliken University, Bradley University, Wahington University, Harris Tezchers College and at the Junior District College. In the performance of his professional duties he has strengthed the Industrial Arts department aided many of Cleveland's alumni through employment placement, and about two years ago gained national recognition as Industrial Arts Teacher of the Year.

Many superstitious people believe that Friday, the 13th is a day of bad luck, and that unfavorable things will happen. But a girl named Anne Duffy has a different feeling concerning that day.

On December 13th, the Fall Sports Coronation took place in Cleveland's auditorium with Ken Krueger and Janet Verdin as master and mistress of ceremonies. The football team was represented by two girls and the soccer, cross country, and wrestling team were represented by one girl. To set the mood for the evening, music was provided by the "Younger Brothers."

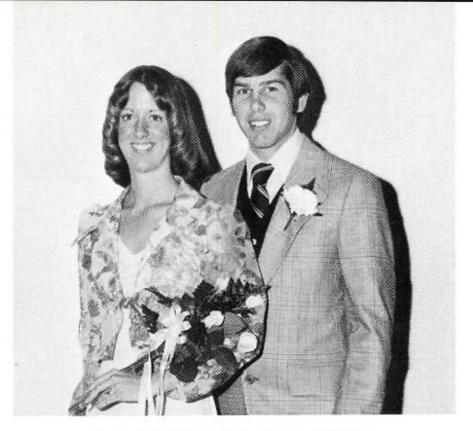

Finally the long awaited moment came and Debbie Dempsey, the retiring Queen, crowned Anne as the 1975 Fall Sports Queen.

All bad superstitions of Friday, the 13th diminished from Anne Duffy's mind as tears of happiness streamed down her face.

SPRING ALL-SPORTS CORONATION

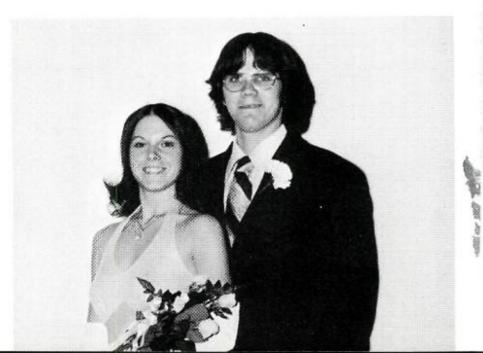

Senior Maid, Dana Meyer and Steve Tod The Spring Sports Coronation took place on Thursday, April 3, 1975 in Cleveland's auditorium. The different sports represented at the coronation were baseball, basketball, swimming, tennis, and track. The Younger Brothers Band helped mold the perfect atmosphere for the crowning while Cheryl Pequignot and Ken Krueger, the mistress and master of Ceremonies, presided over the coronation. The retiring queen, Miss Sherry Karcher, was escorted to the stage by Mr. Mercurio. The excitment and tense feelings of the crowd were finally suppressed when Janet Verdin was crowned as the 1975 Spring Sports Queen and Jim Galaske was crowned King.

What other day could be better for a prom than St. Valentine's Day? The Class of 1975 held its Prom on the night of February 14 in the Henry VIII Room at the Red Carpet Inn. Bob Cuban's Band provided the music, and photographs were taken by Vincent Price Studios. "Remember the Future" was the theme and song. Then the long awaited moment came. The retiring King and Queen, Danny Ward and Pat Caola proudly crowned Joe Anselmo and Sue Bertani as the Senior Prom King and Queen for 1975. The Class of '76 held their Junior Prom on Saturday, April 19, 1975 at Grant's Cabin. The prom lasted from eight P.M. until one A.M., with music provided by the Encores. The theme selected for this special night was "Stairway to Heaven." At the stroke of midnight, the mistress and master of ceremonies, Debbie Eads and Bill Martin started emceeing the coronation. Then the retiring king, Al Dreste and queen, Regina Craig, crowned the new king and queen, Jim O Toole and Vicky Flynn. After the prom, the couples gathered at the Kirkwood Cinema to see a special showing of the movie "Buster and Billie" plus three W.C. Fields flicks. The Junior Class extended a special thanks to Mr. Kaufmann and Mrs. Overton for making the entire evening a success.

FUTURE ACADEMY AWARD WINNERS

What's going on?

The Chi Delta Players didn't waste any time this year. On November 22 and 23, they presented a Comedy Carousel of three one act plays at Trinity United Church of Christ. The three shows were very entertaining and the acting was great.

The first play was a mystery melodrama called "The Mystery of Mouldy Manor." Following that came "Tap Dancing In Molasses." The last play was a farse of Hansel and Gretel called "The Bad Children."

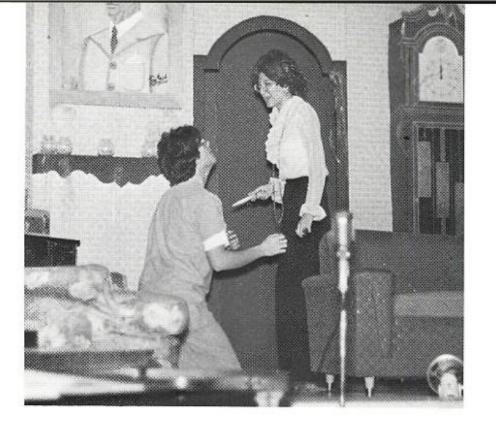

Jeff Blake, the Stage Manager designed all of the sets used this night, and all of the members helped construct the sets. Between plays, mass confusion hit the dressing rooms, but everything worked out fine for all. Afterwards, everyone went out to celebrate.

"Sometimes I wonder about him."

ARSENIC AND OLD LACE — A SUCCESS

A toast!

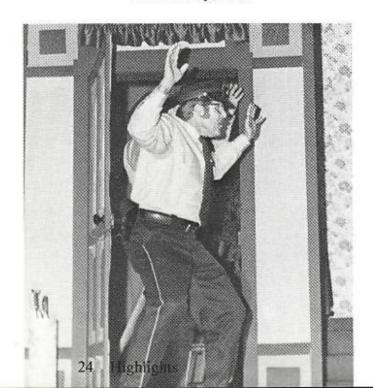

Stick 'em up, fuzz.

On February 20 and 21 Cleveland's faculty was spot lighted in the long running Broadway hit "Arsenic and Old Lace" by Joseph Kesserling. Little did Cleveland pupils realize how talented the staring teachers were. For many hours they pushed aside home work assignments and studied their lines. Finally, the moment of truth came. The whole cast did a remarkable job and even received a standing ovation for their talent and hard work. The "actors" were also honored by Mr. Reinsch in the presence of their colleagues during a faculty meeting.

The Chi Delta Players built the sets and the Aud Technician's Club worked sound effects,

CARNIVAL FUN

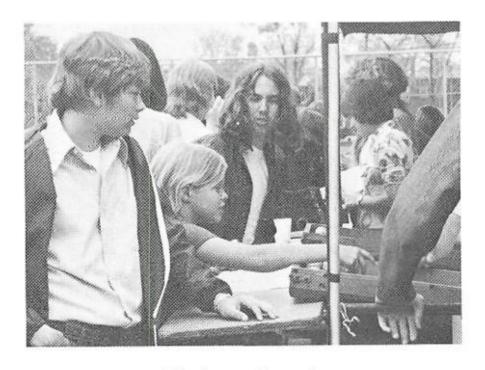

The Gold Fish booth.

Which prize did you want?

Cleveland had its annual spring carnival on Friday, May 2 and on Saturday, May 3. The Dad's Club, Mother's Club, and C. P. A. were all involved to make it possible. Many rides, games, and booths, sponsored by the different organizations, were on hand for those who wished to take part. Despite the threatening weather conditions the carnival again proved to be a success.

CARNIVAL MELODRAMAS

Oh no!

Give him the old right!

The lollipop kid.

Along with the other sights and sounds of Cleveland's carnival was the booing and cheering at the melodramas. Evil villians, courageous heroes and fair damsels were all on hand as the Chi Delta Players presented four brand new melodramas for the crowds at the carnival. The plays were "Alias Smedley Pewtree," "Her Heart Belongs to Heartburn," "The Minor's Daughter," and "Tillie the Teller." The plays ran all during the carnival except for Saturday night when rain forced the cancellation.

In the final judging, Mike Coleman's ventriloquist act was awarded first prize of ten dollars. A routine of acrobatic skills performed by Dennis Gamache, Tammy Widmann, Bob Mullens, and Molita Guzman was awarded Honorable Mention.

COMPETITION COMBINES

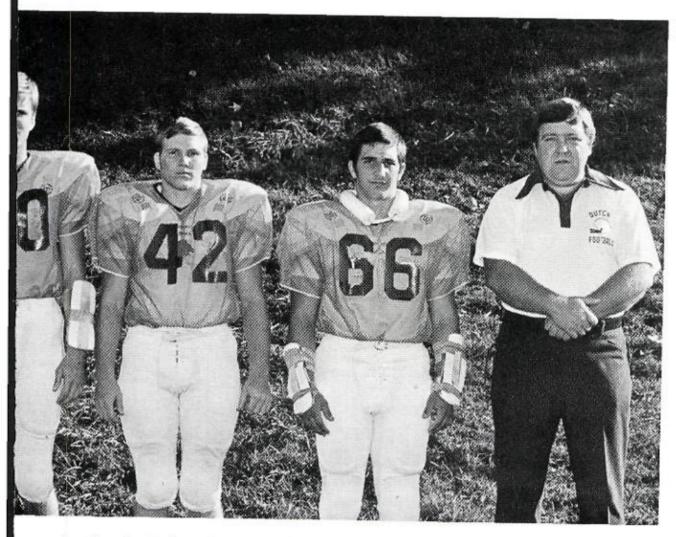

"Hey guys, look at this."

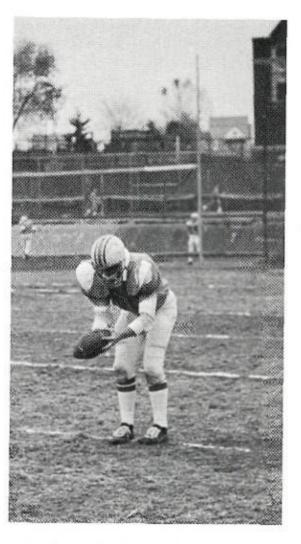

It was football practice again and the many grueling hours of practice began. Nearly 65 athletes reported for training with high hopes and determination. It was not only the first year for two new varsity coaches, Mr. Maulin and Mr. Moran, but for many of the players, this was the first time on the field.

Most of the strength of Cleveland's previous teams graduated. Coach Maulin was starting out fresh. Considering the tough competition and inexperience of the players, Cleveland remained strong. The Dutch finished the season with 3 wins, 6 loses and 1 tie, which placed the team in seventh place.

John Rhomberg won the Bozikis Award; Mark Wille was voted the most valuable player.

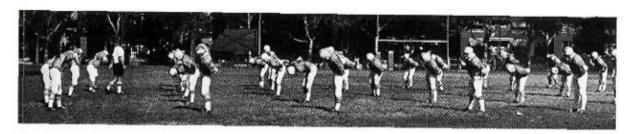

Leaders; Joe Jackson, George Leighton, Coach Moran.

Good soccer skill, loyalty to the team, and dedication to the sport are the main ingredients of a well rounded soccer team. After four months of practice with Coach Gummels, the Cleveland Kickers accumulated nine wins, five losses, and five ties in the regular season, which placed the team third in the league. Chris Neinhaus lead all all scorers with eight goals. Ron Berdeaux ranked second with seven goals. He also received All-State honorable mention. The Kickers put the ball into opposition nets 27 times, while allowing 13 points in their own net. Goaltenders Jim O Toole and Karl Dunajcik combined for twelve shutouts. This year proved to be better then average for Cleveland's soccer team.

The abundance of team spirit, endurance and pride kept Cleveland's wrestlers going, meet after meet. The team had only four members who had wrestled varsity before, which may have been the reason the team came in ninth place. Bill Martin earned a first place medal in the Soldan Quad. Nick Moffat took a second place medal in the Fox Tournament; third place in the Roosevelt Tournament was won by Leo Giambalvo.

AND THE BASKET

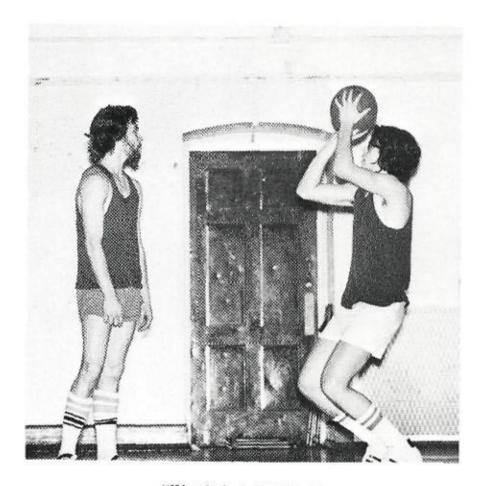

"Watch out, Ken!"

The Castle's Basketball team under Coach Rosenow showed stamina and determination through out the season. This year the squad put forth their best efforts; the team never gave up, despite a difficult year. Cleveland's record for the season read 3 and 18. Every game was played hard. Individual achievements were shown by different members of the team. Mike Mc Daniels lead the team in scoring with an average of 18 points and Ron Chambers was chosen most valuable player. The Cagers continued to thrill the student body with their exciting plays.

How go, are they?

The Bowling Club started in 1932 for girls only. A Bowling Club for guys was formed in 1940. 1963 gave birth to a co-ed bowling club. During this year close to 100 members were in the club of which 60% were girls.

Every Wednesday, after school our "pro" and beginner bowlers hastily raided the lanes of Western Bowl. There were three leagues in which to bowl. A girl's league, a boy's league and a mixed league.

Thanksgiving, Christmas, and St. Valentine's Day tournaments were held between the three leagues. At the end of the year a bowling banquet was held; about sixty trophies were presented to the deserving members.

Another "Mark Spitz."

"Sportsmanship" was the name of the game concerning all of Cleveland's athletic activities. This was just one of the many qualities which the Swim Team contained. Speed, persistence, initiative and endurance also came in great abundance. The Dolphins had a season which gave the team fourth place in the Public High League. The Captains, Larry Abeln and Steve Tod helped lead and direct the activities of the team. The managers Don Buttig and Rick Tod served to maintain records, acted as time keepers, and prepared meet sheets. The mermaids, Pat Mercurio and Linda Fletcher assisted in timing, and provided moral support. Some of the team members deserving of special recognition were Dan Greminger, Larry Abeln, Tom Onder, Steve Tod, John Obermeyer, and John Bouvatte. Next year looks even better for Cleveland's team.

Ice Hockey is one of the fastest growing sports in the St. Louis area, especially at the high school level. This was the first year for Cleveland to organize an ice hockey team. This school and Southwest High School were the only schools to compete in the P.H.L. The players were exceptional, especially since they had to pay for their own equipment, jerseys, and ice time for practice. Cleveland won first place in the league competition and runner up in the playoffs. This was a great start for the Cleveland Ice Hockey Team.

CROSS COUNTRY KEEPS ON TRUCKIN.

Leave me alone.

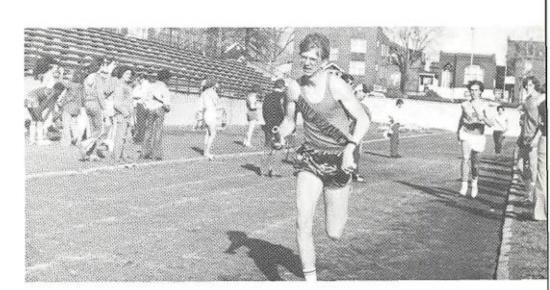

"The tortoise and the hare?"

Our Cross Country team is the best. That's not simply a statement of loyalty, it's a plain fact. The team won the P. H. L. for the fourth consecutive year and ranked first at the Southside Invitational Tournament. Since August 15, the team has run seven days a week which requires a ton of determination, dedications, and cooperation.

Dave Kretschman participated in the state meet. He won the invitational P. H. L. meet and the district meet. Larry Jones ran two miles in nine minutes, fifty-eight seconds. George Griggs ran nine minutes, fifty-nine seconds.

This was the first year for Cleveland to have a co-ed team; it proved to be a successful venture. A closer feeling between the team members developed, this was attributed to the existence of this first co-ed team.

Along with the girls, the guys on the track team started practicing in early February five days a week. The guys practiced for such events as running anywhere from 100 yards to two miles. Field events consisted of the shot put, pole vault, high jump, long

jump, and triple jump. Outstanding performances were displayed by Larry Jones and George Griggs in running two miles under ten minutes. A broken school record was achieved by Dave Kretschman who ran the mile in 4:24.5.

TENNIS TEAM . FUTURE BOBBY RIGG'S

With only four more meets ahead of them, Cleveland's team stood undefeated in their league. Many of the team matches consisted of three singles and two doubles within the Public High League, and outside of it. A tremendous amount of concentration along with quick reflexes and developed skills is what makes a champion tennis player. Dedication is also on the top of the list. On Cleveland's tennis team this year, Bob De Pung was ranked first. He is only in his junior year, and during the off season, he spends more time on the tennis courts than any of the other players on the team.

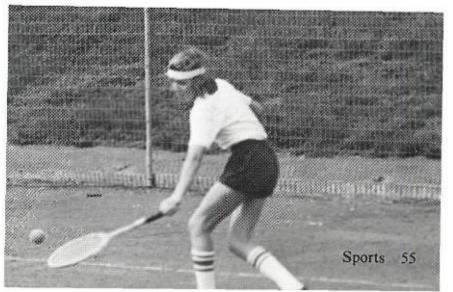

Oh no, not again.

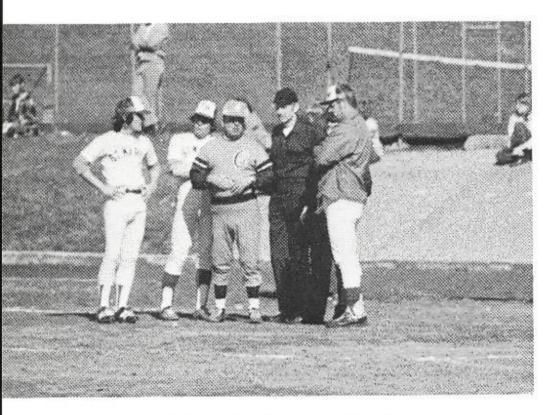

Here comes Mike Lowry.

I hit it!

With three more games to go, the season looked bright for Cleveland's baseball team. Not including the last three games, the record for the year was 7-9. The team played forcefully with considerable pride and determination. Providing a lot of morale support was the captains Tim Sweeney, Mark Wille, Mark Franz, and Ron Chambers. This year was to prove to be great experience for Sophomore Mike Green who is expected to play exceptional baseball in his future at Cleveland.

This meeting will now come to order.

BALL PLAYER HIT # 1

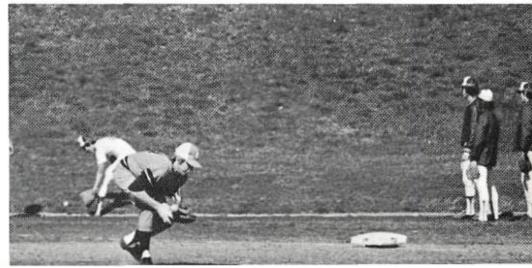

"Now that I caught it, what should I do with it?"

"I wonder if this one is any good?"

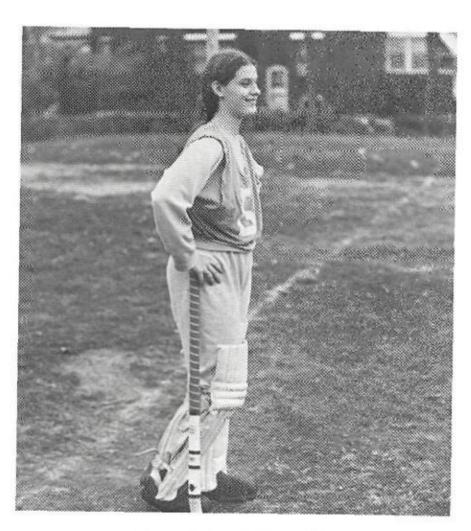

"Hey, you guys! The action is over here."

FRONT ROW: Mrs. Theodore, Donna Caviecy, Lynn Russell, Terry Gliedt, Donna Dangos, Sherie Smith, Sue Duffey, Jean Heitzman, Karen Arant. LAST ROW: Sherrie Toye, Tammy Swindle, Debbie Powers, Kim Erickson, Sandy Tarzian, Shawn Swofford.

Now, which one is my team?

NEVER A LOSS

The Girl's Hockey Team snatched first place again this year with five wins, one tie, and one loss. How could they lose, with great spirit and the willingness to work? There were many outstanding players, specially in defense. Defense gave up only two goals. A total of fifteen goals were made by Cleveland's team.

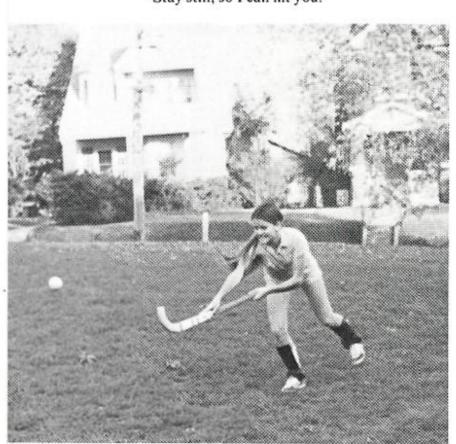

Beginning in the early part of August, Varsity team practices were held twice a week until November. Those four months went by with a few minor injuries and a couple of broken hockey sticks, but nothing brought the team down. C. H. S. was super-proud of their girls on the field.

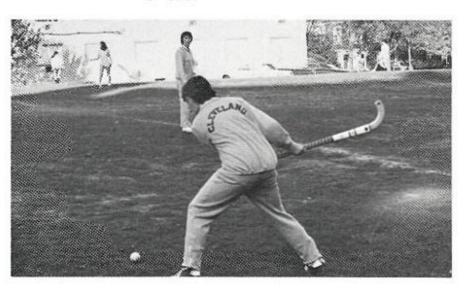

FRONT ROW: Leslie Lang, Terri Morelli, Debbie Keigley, Tracy Shoults, Kim Johnson, Marian Lorbert. LAST ROW: Sheila Diesel, Carole Tarzian, Jill Kiger, Sue Hilliard, Karen Schoeneberg, Linda Deschler, Marian Lorbert.

FOR GIRLS HOCKEY

"Stay still, so I can hit you."

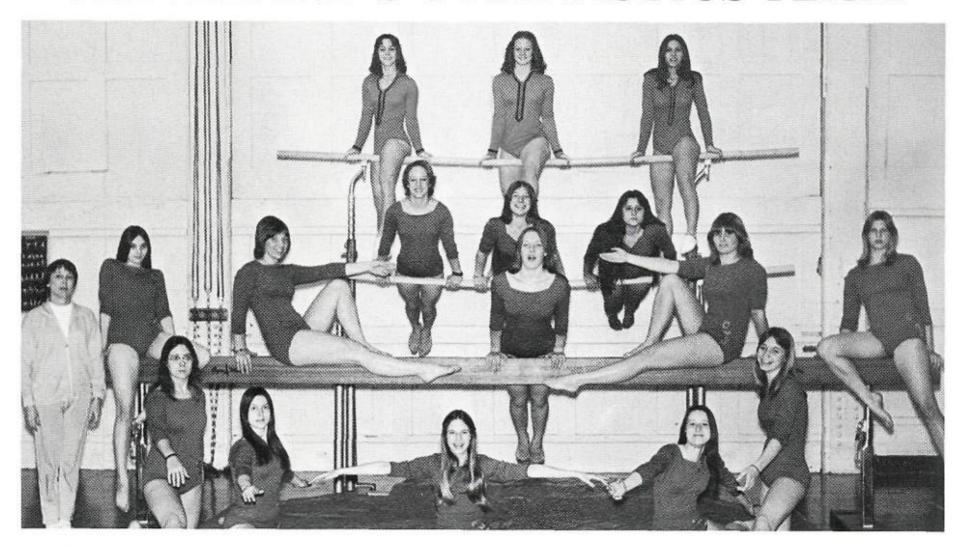

"I wonder if she'll miss it."

"Come on, we don't have all day."

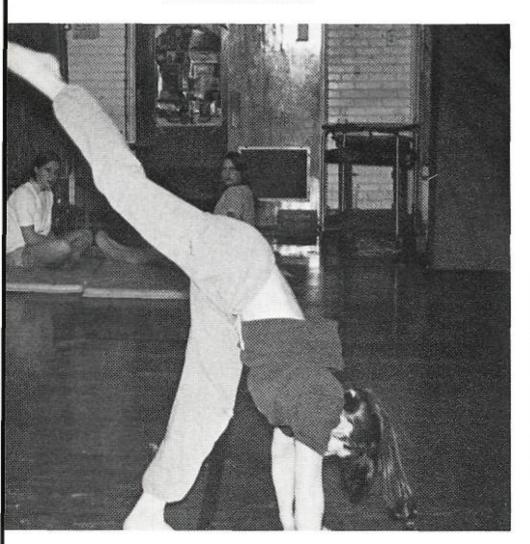

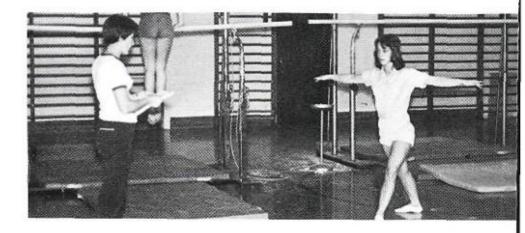

CLEVELAND'S GYMNASTICS TEAM

FRONT ROW: Sharon Flamm, Sheila Kirtley, Laura Ridings, Vicky Jones, Karen Arent. SECOND ROW: Mrs. Theodore, Sandy Leighton, Louise Runtz, Dawn Vollmar, Linda Deschler, Gina Windisch. THIRD ROW: Tammy Widmann, Helen Evers, Moneita Guzman. LAST ROW: Vicky Flynn, Shawn Swofford, Barbara Miramonti.

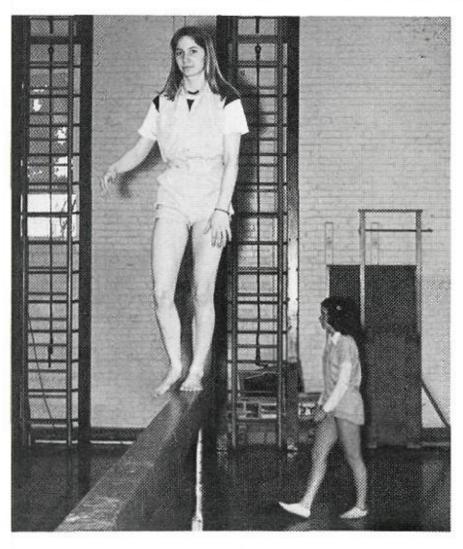

"Now do three back flips, and that will be all for today."

Every afternoon after December 1, 1974, the girls and the guys of the gymnastic team set up the balance beam, the uneven bars and the vaulting equipment. Row upon row of tumbling mats were also laid out in Cleveland's gymnasium. Many hours of practice were spent on these routines. The members of the gymnastic team competed with many other high schools but team points were not counted; only individual points were awarded. Vicky Flynn demonstrated exceptional skill by placing fourth in state competition.

SCHOOL MERMAIDS

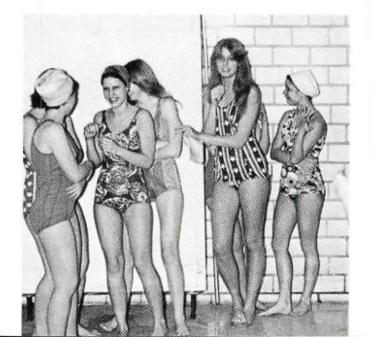

The most interesting feature at Cleveland "is Girl's Swim Team." Dana Plumlee

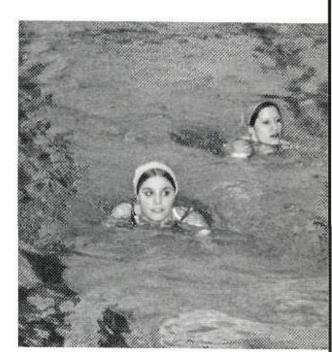

I'm not going into the water; it's too cold.

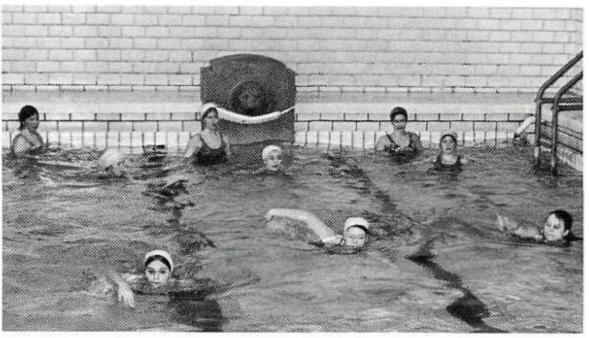

"Look at these legs."

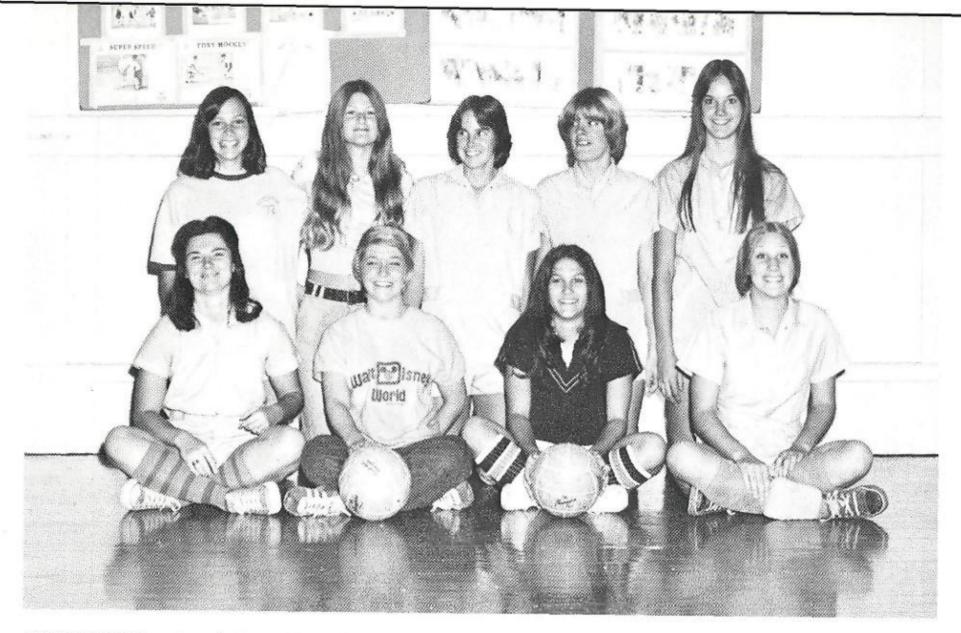

Making a big splash this year was the Girls Swim Team by taking the P.H.L. championship. Starting in late January, the girls met three times a week, but soon practices expanded to every night plus Saturday. Different members of the team participated in racing events. Others concentrated on synchronized swimming. The girls worked very hard to achieve their individual or team accomplishments. They competed in the first Girl's District Swim Meet against very stiff competition. Each girl from C.H.S. improved their time by at least three seconds which exemplified their improvements and determination. Some broken records were achieved this year by Louise Runtz for the butterfly and Donna Roberts for the free style. Donna also established a new record on the individual medley.

"Wow, I wonder who he is?

FRONT ROW: Lynn Russell, Nancy Sigmund, Barbara Miramonti, Mary Wozniak. LAST ROW: Jeanne Heitzman, Terric Gleidt, Sue Duffey, Donna Caviecy, Donna Dangos.

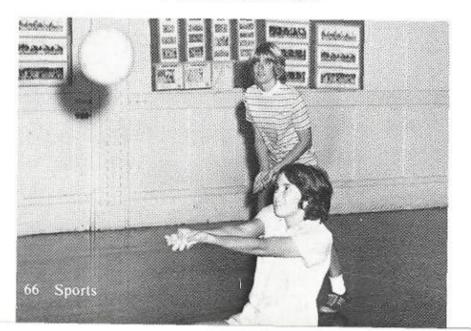

VOLLEYBALL CAN BE

"Get your hand out of here!"

"I wonder if she'll hit it right?"

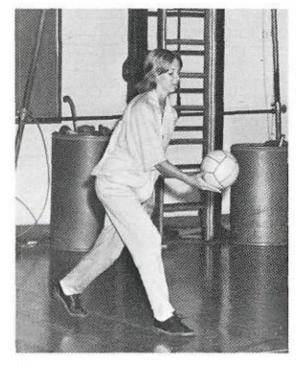

"Oh Lord, help me to hit the ball."

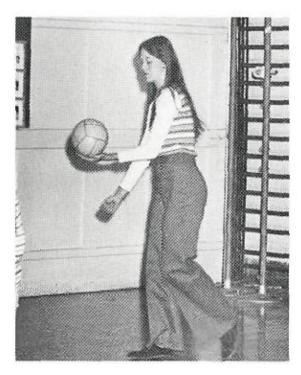

Practices for the Volleyball team were two nights a week, starting in Mid September. The girls worked hard those afternoons at school. The results of their efforts resulted their winning every game, with the sole exception of Southwest.

Both the A team and the B team tied for second in their leagues. The A team captain was Suzy Duffey and the B team Captain was Rose Maddock.

Wanting to do their best this year, the girl's track team started practicing early. February brought snow, and it also brought the girls out in their sweat suits running the halls after school. The team competed in seven track meets this year and did quite well considering the stiff competition. One of Cleveland's track stars was Mary Ellen Kunkel. She won every event in every meet that she entered.

Terry Gliedt won the Triathlon at the Sumner Invitational. It consisted of three events, the shot put, running long jump and the sixty yard dash. EEk, a mouse!

Oh Mom, can't I play a little longer.

I wonder if that's soft enough.

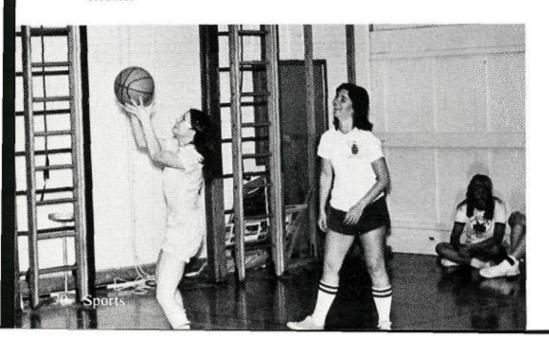

Leaders Lead Bodies To Fitness

FRONT ROW: Jean Evers, Kathy Koehler, Lisa Hoffman, Kim Morrison, Tammic Swindle, Lynn Russell, MIDDLE ROW: Terry Morelli, Beth Sellers, Karen Bushnell, Donna Dangos, Rose Maddock, Jan Osterloh, Diane Spakowski, Linda Deschler. LAST ROW: Misty Bitter, Karen Morrison, Pat Leighton, Antonette Claro, Jonny Shamess, Debbie Powers, Barbara Jackson, Karen Canterbury, Susan Leaders.

The first Leader's Club was formed in 1948 and had been efficiently operating ever since. The Leaders are chosen by the physical education teachers to help them with class activities. A few of their jobs have included class sports, such as basketball and hockey, spotting for gymnastics, leading daily exercises, and setting up equipment.

GIRL ATHLETES AT SPORTS BANQUET

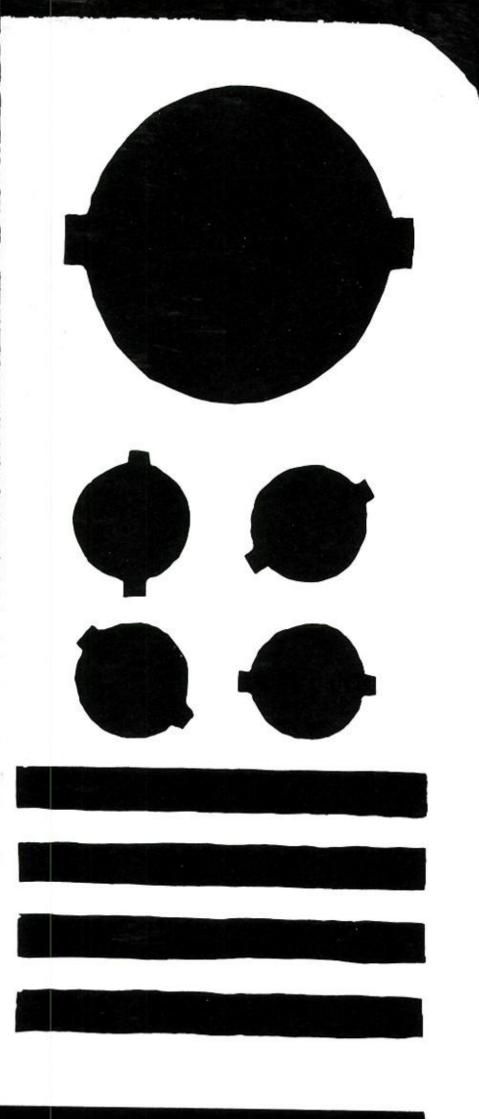

Since the Girl's Athletic Association began on March 17, 1916, it has steadily grown. The reason for its development and success is its appeal through a varied program. It was organized under the direction of the women physical education instructors. The purposes are to co-ordinate healthful after school activities in the sports field, to direct their operation, and to establish conditions conducive to active and enthusiastic participation of a large number

of girls. To include more activities, the G.A.A. was renamed G.R.A. or Girls' Recreational Association in 1956. This year Cleveland G.R.A. offered hockey, track, swimming, gymnastics, basketball, and volleyball.

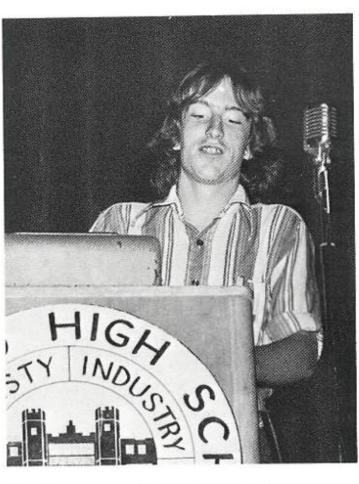

Some of the outside activities this year were a successful car wash, a pajama party and a jewelry sale.

Since its inception in September of 1915, the Student Council has been a strong experiment in pupil governing at Cleveland. The Student Council has done many beneficial things for which we at Cleveland are very proud. The Student Council along with the Senior Class sponsored the blood bank for the American Red Cross. Different members attended the Student Council Conference at Southwest High School on February 25. The main project of the year was the Ted Nugent and the Amboy Dukes Concert which was held in Cleveland's auditorium on March 20.

Over the summer vacation, the members plan to clean up C. H. S. so that the students will come back to a spotless, sparkling clean castle next year.

C. H. S. PEP CLUB IGNITES

Cleveland's Pep Club decreased in size this year. But the club members always came to most of the sports events full of spirit and pep. Orange and blue balloons were sold at the homecoming game. Then at the kickoff, the balloons were set free decorating the sky with Cleveland's school colors giving our Dutchmen the winning spirit.

This year the C.H.S. Pep Club gave great support to the teams which plays a big part in winning a game.

The all male Key Club, sponsored by the South Side Kiwanis had 300% more members this year compared to last year. The new faculty sponsor, Mr. Kauffmann started the guys out with a job of a five mile trash pick-up on Interstate 55. Then this group sold raffle tickets to an Elton John concert which helped cover expenses in the club. Next on the agenda, was cleaning out all of Cleveland's trophey cases which took many hours of hard work.

But being in the Key Club isn't all work. In April, members who could afford it, went to the National Key Club Convention which was held in Little Rock, Arkansas. At the end of the year the Key Club sponsored a service award banquet. Through this social activity many of Cleveland's civic minded students who give of their free time to church, school and community organizations were honored.

After five days of summer camp at the University of Missouri, St. Louis, the Dutch Dolls were exploding with new routine ideas for the coming year. All of the eighteen girls, plus the nine alternates practiced before school everyday for one hour getting their dances down to perfection. In five short years the Dutch Dolls have built themselves to be one of the top drill teams of Missouri.

Every girl on the squad had to raise money by selling candy and raffles for uniforms and pom pon gear. These girls performed at a wide variety of places.

In April, the Dutch Dolls again hosted the Annual Greater Metropolitan St. Louis Area Competitive Pom Pon Clinic. This year it was held at Kiel Auditorium because of its increasing number of competitors and spectators. This show was the largest pom pon clinic ever held in the Mid-West.

The ORANGE and BLUE school newspaper was written mainly by students who were taking Publications 2 with Mr. Deaton. The paper involved many entertaining and educational artices. It also informed the students of the different activities, sports events and even historical items concerning Cleveland. The students had the chance to "speak their mind" in the paper too. The ORANGE and BLUE usually took a month to compose. It was always looked forward to by most of the Cleveland students and faculty.

1975 BEACON BUDDIES

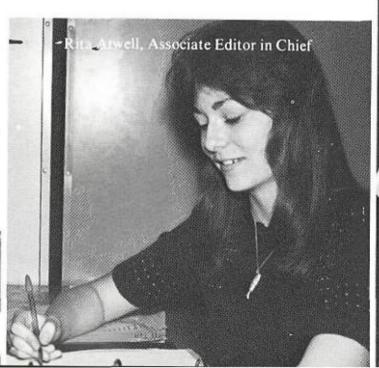

The BEACON Staff is a group of pupils who cared enough to give their fellow students a book of memories. They gave their own time to find facts and to put together a book that would keep their high school years alive. Almost everything that was done at Cleveland this year was included in this book.

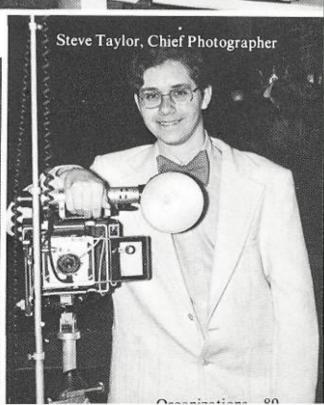

Selecting pictures, rearranging layouts, thinking up captions and

new ideas, writing body copy, photographing, typing, meeting deadlines and thinking up new ideas were some of the things the staff achieved. But seeing the final results of this book was worth all of the time and hard work. This staff concluded its efforts hoping that you, the reader, felt that all we have achieved has been worth the effort.

With memories of their Pick-a-Pixie booth and summer picnic behind them, they launched new activities. They comprised a studio cheering section for the Schlar Quiz team's final appearance on Channel 4. There followed skating parties, a bake sale, a bowling party, and a Christmas party at Mrs. Ashmore's home. Special celebrations at Bevo Mill were highlights.

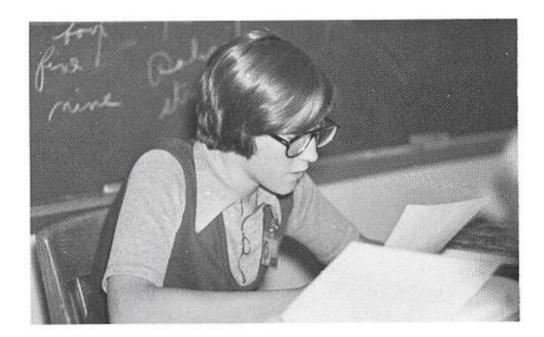

The membership operated snack bars at school plays and managed program advertising for the school musical. The members also managed the admission and ticket doors at the faculty play and again at South Pacific.

On October 19, Cleveland's Scholar Quiz Team went to the KMOX-TV studio and battled their way to first place against Assumption and Normandy. Those six weeks of practice and all around studying really paid off. Of course the cheering section comprised by the Drama Club and a few other enthusiasts, greatly helped the team's morale.

On November 23, Cleveland had to compete again with another school, Bellville West which was last year's champions. But unfortunately, Cleveland lost. But just being on the team to Represent C. H. S. was indeed a great honor.

A BLUE RIBBON SPECIAL: ART CLUB

The Art Club at Cleveland was a little slow at getting started this year. Great plans were made, but unfortunately few materialized. Never-the-less, sixteen art students won honors in the 1975 Schlastic Art Awards, sponsored by Famous Barr. Among the Blue Ribbon winners were Dennis Fanger, Bruce Fernandez, Jim Rice, Ed Ide, and Connie Vogel. CHI DELTA PLAYERS ACT UP (4)

How time flies when you're having fun! That was the feeling within Cleveland's drama club. This year, the club changed its name to Chi Delta Players and bought sweatshirts to display their new name. There was always something to work on through out the entire year. Building sets, wall-papering, and painting flats, and constructing furniture were just a few of the activities which the club accomplished. The close feeling of unity between the members helped make the club a success.

To start the year off, on November 23 and 24, the Chi Delta Players presented three one act comedy plays at Trinity United Church of Christ. The public was invited and the turn out was very satisfying. On February 20 and 21, the faculty play "Arsenic and Old Lace" was produced by the club which meant a lot of husseling backstage to get props and furniture into the right place.

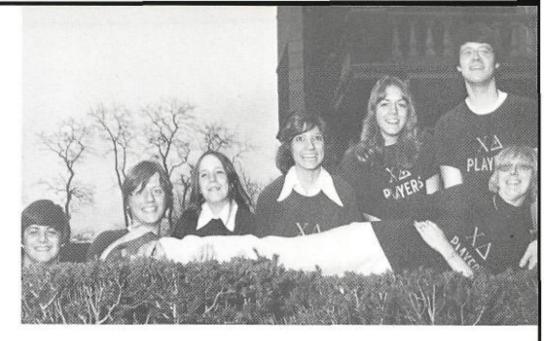

Then on St. Valentine's Day, the club sponsored a Valentine sale. Students could buy Valentines and send them to their sweethearts in advisory via Mrs. Overton, the club's sponsor.

Next on the list for the Chi Delta Players was Cleveland's spring musical, "South Pacific." The club built all of the sets and supplied the make-up and most of the props. Countless hours were spent working on this production. On May 15 and 16, the work proved to be a success. Between musical rehearsals, the energetic club members put together three melodramas and two puppet shows for the May Carnival. The club members also helped usher at the Loretto-Hilton Repertory Theatre every opening night throughout the school year.

As one can see, the Chi Delta Players were one of the busiest clubs, if not the busiest club, at Cleveland this year.

The French Club is composed of students who are involved with the French language. The members are greatly interested in the customs and mannerisms of the French people and they want to further knowledge of them. Many of the meetings were conducted in class and some were held in the morning before school. After all of the business items were discussed, French games such as scrabble and monopoly were played.

Turn back the wheels of time to the fun-filled 1950's, when greased back hair and bobby socks were considered "in" along with dancing and playing the Top 10 on the jute box.

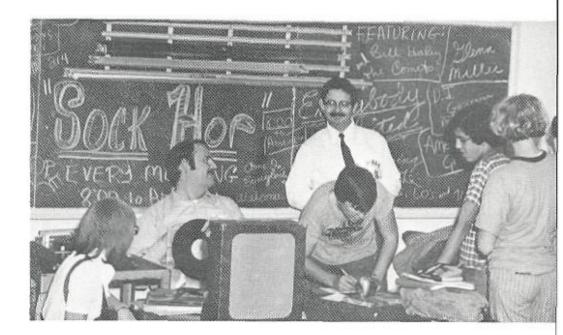

Every morning at 8:00, these rock 'n roll years would come alive in Room 214. The Wax Maseum recreated the fabulous fifties mostly just for themselves. Many pranks were pulled by the members, and the brains of the organization was Mr. Gatermann (who often wore a fine looking rabbit suit).

If something weird or funny happened at C. H. S., you can bet the Wax Museum was in on it. There was no real purpose for the club, except to have a lot of fun.

Connie performed at the Library Club Talent Show.

SILENT CLUB

Learning sign language was the main idea behind the Silent Club. Every Wednesday morning before school, Mr. Patchem, the club's sponsor, taught the members of the club how deaf people communicate. On March 5, the club went on a field trip to St. Joseph's School for the Deaf. A film called "The Wizard of Oz" was shown to all of the members who went. This film was acted out by deaf children. The trip was very interesting for all of the Silent Club members.

RIDING CLUB

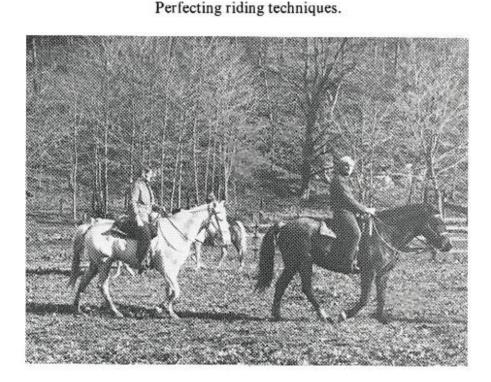

The Riding Club is an explorer post and it meets once a month at Cleveland. When the weather is nice, the members go on a trail ride once or twice a month at Beaumont Boy Scout Camp. The club is very active in learning to ride horses. The members went on an annual camping trip; they also participated in the annual horse show at Beaumont.

EXPERIENCE FOR THE FUTURE

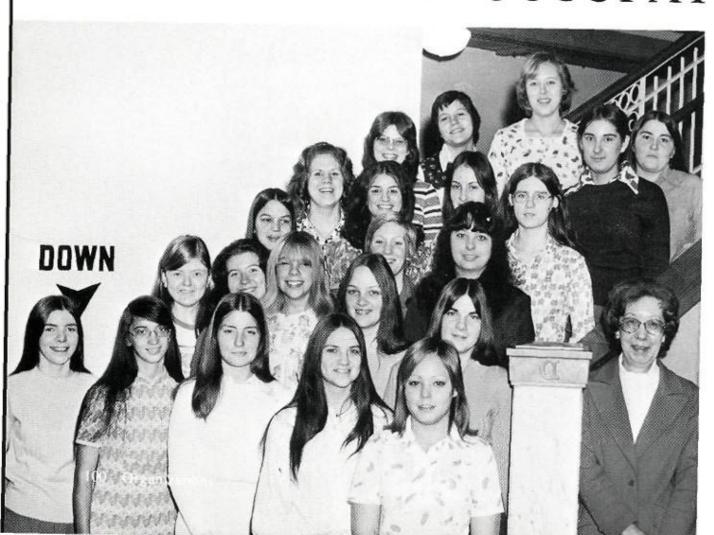

Carey adds some final touches.

H. E. R. O. is a youth group sponsored by the Home Economics Vocational Program. It is a co-curricular activity and members of the club must be enrolled in a H. E. R. O. class. Seniors that are involved in this two year program may get a job in the fields of clothing and textiles. These students work twenty hours a week and receive two credits.

Last year Cleveland was the only public high school

in the state of Missouri to have a H. E. R. O. chapter. This year H. E. R. O. has spread to other schools and has increased to seven chapters in the St. Louis area. Eileen Berner was chosen as Missouri's state representative. H. E. R. O. provides part time jobs for students in high school and also helps them prepare for jobs and life after high school.

WORK STUDY ...

Work Study is offered to Cleveland students who wish to bridge the gap between school and the business world. Special classes are held in the morning, then students go to their jobs in the afternoon.

Meetings are held during the classes. They discuss problems on the job, career opportunities and plan club activities. The main project this year was the Spring Employer-Employee luncheon.

DAD'S CLUB GETTING BETTER EVERY YEAR

Backing up the athletic program at Cleveland are the members of the Dad's Club. These enthusiastic fathers help raise money to buy equipment and tropheys. Because the tax issue failed, the Dad's Club realized they had to raise more money for next year's sports activities. Along with the Mothers Club and the C.P.A., the Dad's Club again helped to organize Cleveland's carnival in May.

C. H. S. BAND BOOSTERS BOOST MORALE

Interested parents of the band members make up the organization called Band Boosters. This organization help support Cleveland's band and their activities, financially. On May 22, the Band Boosters sponsored and arranged an awards banquet. Many trophies along with letters and stripes were then presented to the different members of the band.

CONCERNED **PARENTS**

The Cleveland Parents Association consists of interested parents who want to help and to get involved with the school. Monthly meetings inform the parents about the school and its activities. The major project for the C.P.A. was the May Carnival. The C.P.A. divided the proceeds with the school and the Dad's Club.

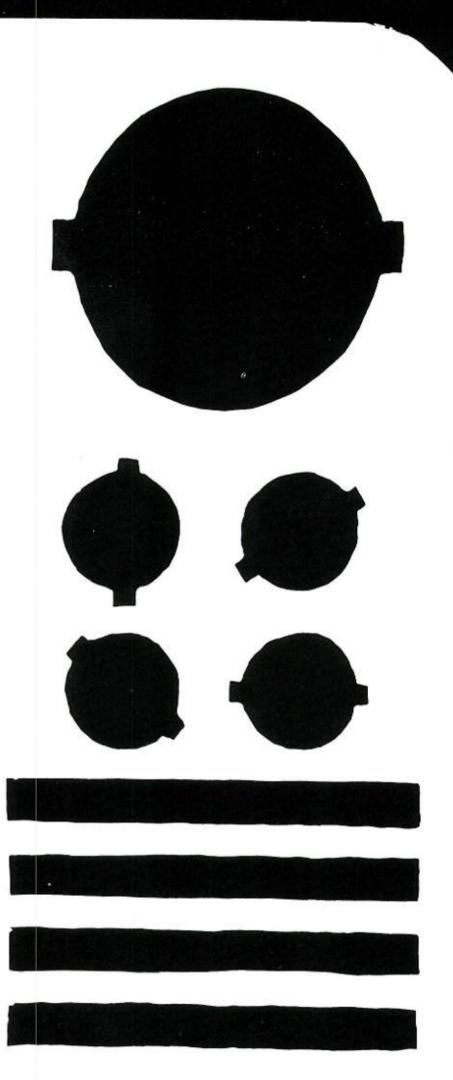

MOTHER'S CLUB

Women's liberation has hit all in one way or another. Cleveland is no exception. For the first time in Cleveland's fifty-nine year history, the mothers of our school united and formed the Mother's Club. The members of this club organized themselves at the beginning of October and then met every first Wednesday of the month. The club raised money and the profits went to Cleveland's non-athletic activities. Even though this was their first year, the C.H.S. Mother's Club was a great asset to the whole school.

Mr. Glass taught two classes of mixed chorus this year during second and sixth periods. Songs ranging from folk melodies to modern day sounds were often sung. Both classes of mixed chorus sang at Christmas Vespers, the Easter Sunrise service and in "South Pacific."

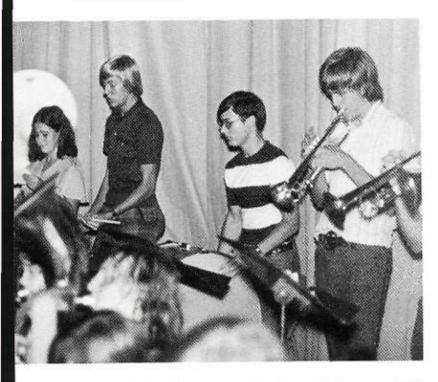

The Cleveland Concert Band hit the road this year and took a three day bus trip to Chicago. The members attended the Midwest Bandmasters Association Convention and performed at St. Michael's High School. It was a very educational experience and a fun time for all who went.

The band also presented a Christmas program for the student body this year. May 8 was the date for the annual Spring Concert when music by outstanding composers of concert band music was played.

Mr. Habetler's appreciation this year was acknowledged in the following quote: "special thanks to the band officers for their enthusiasm and hard work."

"Here is where the action is!" Mr. Albert Reinsch. This was the second year for Cleveland's head Dutchman. He has taken on this demanding, but rewarding job as principal. Along with the help of Cleveland's fine administration, Mr. Reinsch accomplished many goals set for our school. Cleveland's dedicated faculty and sincere students provided a "team spirit." The only way to get things done is for all to work together. Mr. Reinsch made a few new rules this year. Most students realized the necessity for these changes.

AND THOUGHTFUL

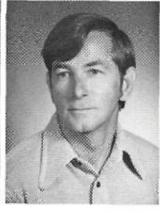

CAN DESCRIBE THE **PROFESSIONALS**

The counselors at Cleveland are friendly and understanding people who are trying to achieve what the students want. With the new systems of scheduling programs this year, there were quite a few changes with which the counselors had to deal. However, the counselors got through the confusion with a minimum of trouble. They frequently met with parents to discuss attendance, grades, or other problems which arose with a student. College bound seniors found the counselors very helpful in assisting them in the correct direction in which to turn. But the main interest of the counselors was to find the best high school program for each Cleveland Dutchman.

OF CLEVELAND

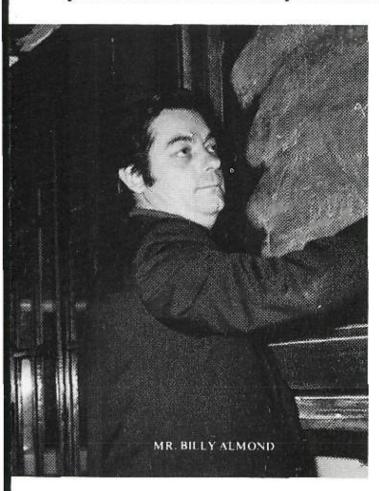

Grover Cleveland High School opened it's doors in September to start another educational and action-packed school year. Many new courses were offered at C. H. S. this year. The faculty and administration helped support the academic research and all of the educational programs at Cleveland. Student elections were held and plans for everything were made. Before you knew it, the second semester had arrived. With it came new programs and problems. The computer assigned some students to non-existing rooms, such as Rooms 404 or 505. But the counselors straightened everything out and soon the confusion was over. Mr. Reinsch outlined a few new rules of conduct for Cleveland students and indicated stricter enforcement of these rules. This year brought new ideas and changes to the academic system of the school, which gave a chance for excellent staff of experienced professional teachers to help mold the leaders of tomorrow.

STRIVING TO HELP

The Mathematics Department tries to provide a program that consists of at least one course or more for each pupil. There is a variety of offerings from Basic Mathematics to Analytical Geometry. This year there was an increase of independent study in the Math Department. New Math seminars were offered to capable juniors who want additional training in mathematics.

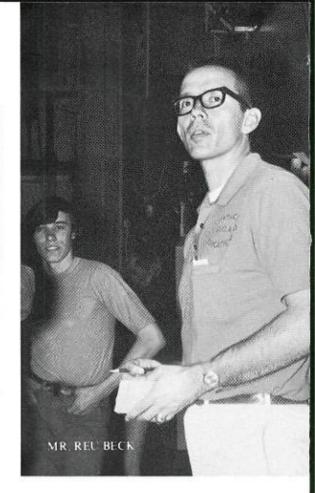

Many of the teachers in this department have participated in National Science Foundation grants for summer institutes and in-service studies.

THE NEEDS OF THE SCHOOL

Cleveland offered many new different English courses this year. The subjects were designed and geared to gain the interest of the student. These courses represented all levels of English which helped the students communicate with each other and themselves in various media. A few subjects this department taught included Mysterious and Supernatural, English Literature, Show Business. Speed Reading, Publications, Public Speaking, and Journalism.

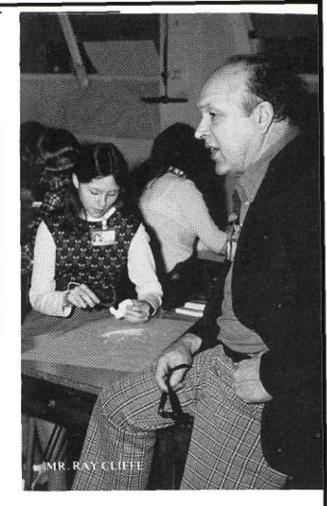

Of all the departments the English department, has the largest staff. Mr. Conley who is the department head is looking forward to an improved and better year for the students taking English next year.

GIFTED WITH

It has been said "while advancement in science is racing along in a jet, advancement in the art of getting along with each other is crawling along with the horse and buggy."

Getting along with each other must mean that you understand the laws by which we live and why and how they were made.

This was why lawyers were visiting, lecturing, and answering questions in Urban Studies classes. This was why World Cultures, which emphasizes the understanding of why groups of people — interact the way they do, has replaced World History.

Also, available to the more than six hundred pupils enrolled in the social studies courses are such courses as Consumer Economics, African Studies, Black Humanities, Psychology, and Sociology. Courses such as Government, American History, Anthropology, Advanced Geography are also offered.

Student are learning how to apply skills of society and how to achieve their aims. They are also recognizing the validity of social studies, resulting from recent innovative techniques and technology.

KNOWLEDGE AND MINDS

"Music is one of the things, like the ability to laugh, that has kept mankind going for all these thousand years." Charles M. Schulz Cleveland's music classes weren't just a learning experience for most students. Many pupils discovered an opportunity to express themselves. This was done either through singing or playing a musical instrument. Under the extra-ordinary direction of Mr. Henry Glass, Jr. Cleveland's choirs have earned an outstanding reputation among the citizens of St. Louis. The story holds true also with Cleveland's bands and their superb director, Mr. William Habetler. This year a feeling of pride revolved around the choir and band at C.H.S.

CONCERNED WITH PROBLEMS

The goals of the Science Department are to provide science experiences out of which can come an understanding of science in today's world, as well as technological training. Ecology and environmental problems were topics discussed in many of the classes.

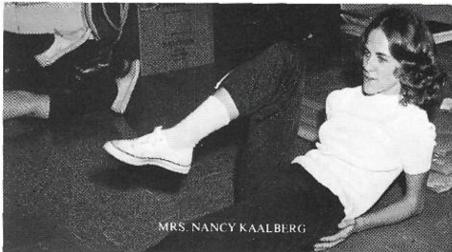

Some of the science courses offered are I.M.E., Astronomy, Physics, Biology, I.P.S., Cell and Microbiology, Earth Science, Meterology, Mammals and Man, and Consumer Chemistry.

There are ten teachers in this department and approximately 1,000 pupils enrolled in science courses this year.

There is promoted in relation to science, career education. Thus, students are encouraged to pursue technological careers according to their individual ability. There is also presented a new awareness of community opportunities and responsibilities.

OF ALL KINDS

The Business Education department helps to prepare students for the world of work. The teachers of this department also assist the administration in school office work. Such activities include the printing of materials for the general and counseling offices and for teachers. Administrators also receive some filing assistance.

Business Co-op and Distributive Education are growing related services of this department. Various subjects which are taught include Typing, Bookkeeping, Basic Business, Office Practice, Business Law, Vocational Business, Secretarial Practice, and Business Arithmetic.

An additional effort performed by this department includes the conducting of civil service tests for both the city and federal governments. These tests aid in providing employment opportunities for graduating seniors.

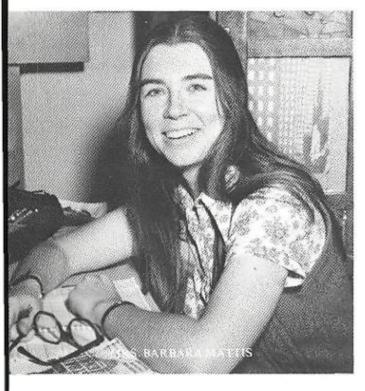

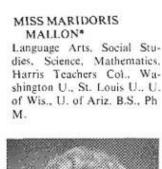

THEY PLAY **IMPORTANT** ROLES

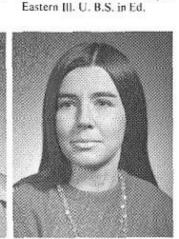

Cleveland has one of the strongest art departments in the metropolitan area. The art courses were challenging for some of the students in that the courses were similar to college courses. Art appreciation, ceramics, sculpture, macrame, and printmaking along with drawing and painting were just a few of the many courses offered. A class offered to exceptionally talented pupils was Honors Art, in which the pupils spent half of their school time at Cleveland and half of their time at Shaw School.

The courses offered many opportunities for students, from hobby arts to commerical arts. This year Cleveland students received more honor awards in the National Scholastic Show than all of the other St. Louis public high schools combined. "I believe the courses now are meaningful and provide the" students "with life experiences." Mr. Ray Cliffe.

THEY INFLUENCE **OUR LIVES**

There is enthusiastic interest in the Industrial Arts department at 'Cleveland. Approximately 680 pupils are enrolled in the courses of this department. This number surpasses the number at any other St. Louis city public high school.

Along with Mechanical Drawing, Home Planning, Basic Industrial Arts, and Practical Shop, advanced two year courses are also taught at C.H.S. These courses include Architectural Drawing, Engineering, Machine Shop, and Wood Shop. A new course offered to interested pupils this year was Industrial Crafts. Students have received many awards in Machine Shop, Drafting and in Woodwork, Job placements are often provided for Cleveland students at Southern Equipment, McDonald-Douglas Aircraft, and Step Brothers Steel Company. In the last ten years, Cleveland has excelled all other scholarships.

ACCEPTING THE

The new elective Physical Education program at Cleveland featured many new courses from which the students could choose. Some of these courses were Slimnastics, Team Sports, Senior Life Saving, Individual Sports, Dance, Gymnastics, and Swim class. As students were able to select what they wanted, there was a greater interest in Physical Education, During this year there were about one-thousand-four hundred pupils enrolled in the P.E. classes.

The enthusiasm of the teachers of this department helped to create this involvement of more pupils in the program. Most of these teachers managed after school sports activities and officiated at inter-school athletic events at other schools.

Every pupil who has had Mrs. Survant for a teacher knows how hard working and dedicated she is. Along with teaching daily classes, she helped establish the Home Economics Cooperative working experience at Cleveland.

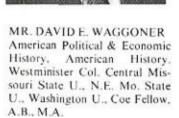

Mrs. Survant also organized the first H.E.R.O. chapter in the state of Missouri. Because of her fine qualities and capability of pioneering H.E.R.O., she was chosen as the Home Economics Teacher of the Year for the state of Missouri. Most Dutchmen agree the award couldn't have been given to a more deserving person.

ADMINISTRATION

- "Parlez-vous français?"
- "Sprechen Sie Deutsch?"
- "Hable español?"

Cleveland offered three foreign languages this year. Students had the choice of studying French, German or Spanish. The culture and customs of the Spanish, Germans, and the French were taught to the pupils along with the communication skills. The French teacher, Mrs. Crandall, and the German teacher, Mrs. Schoenheit organized clubs for pupils who were more involved in those languages. On a field trip Spanish classes of Mr. Hall and Mr. Wiese dined on spicy Mexican food at Mi Pueblito's Restaurant in St. Louis. The foreign language classes were a lot of fun, yet educational simultaneously.

AND FACULTY

The library at Cleveland was a great asset to the school this year. Because of its rather small size, the room was frequently over crowded. This caused the re-introduction of the old library slip system, which required admission to the library upon permission of the teachers. The pupils and teachers were fortunate to have such a well-equipped library. Tape recorders, reader-printers, record players and copy machines were just a few of the modern devices which are available. The library received two new microfilm readers this year.

Also arriving are new books and film loops. Our two librarians, Mrs. Ford and Mrs. Wolf keep everything running smoothly. Their duties include preparing microfilm for use, operating machines, filing and helping teachers and students with reference work.

HELPING **HANDS**

How would you like to be in charge of filing, answering countless telephone calls, taking care of general correspondence, making adjustment transfers, dictation, obtaining college transcripts and processing applications? Those are just a few items that help pass the time of day for the secretaries at Cleveland. They also deal with the Dad's Club and Cleveland Parent's Association, along with I.D.'s and letters to parents. The Cleveland offices are usually a "beehive of activity."

Other people who make Cleveland tick are the custodians, engineers, and security guards. At lunch, a time all Dutchmen look forward, is when you really appreciate the cafeteria employees. They're always helpful and care about their work. Mr. Burch serves a dual function at Cleveland. He is in charge of the bookroom, and is the school Treasurer.

"Talent" is another word to describe Cleveland's freshmen. On Freshmen Night many of our Nujays performed in a talent show, sponsored by the Chi Delta Players. There was a wide variety of acts ranging from a 1920's flapper to a ventriloquist. But the main reason for Freshman Night was to let the parents of the Freshmen visit the faculty of Cleveland. Opportunities to meet with administration and to see the arrangement of the interior of the school. Mr. Reinsch handled the program with ease and afterwards the parents were free to talk with the teachers and the friends of the parents.

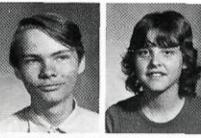

My first reaction to Cleveland was, "Help, I need somebody." Lisa Patrick

With wide eyes and puzzled faces, the freshmen were introduced to Cleveland High School on Friday, August 30, 1974. Many were anxious to see their friends from their former elementary schools and to find out about their classes for the coming year.

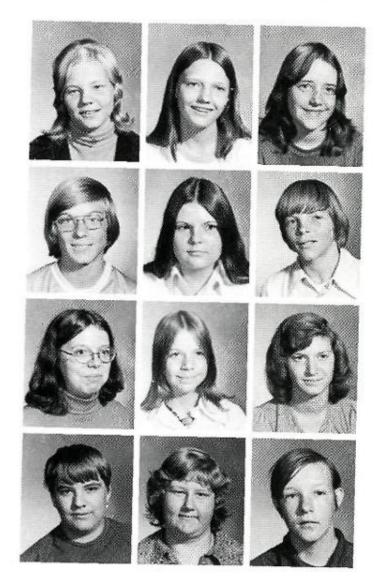

During their aud session, Mr. Reinsch helped ease a little tension by explaining the working of a high school and offering advice to those who wanted it. The Cheerleaders also helped to boost the spirit of the entering Class of 1978.

Cleveland really has ... SOPHOMORE Spirit.

A cheerful Sophomore.

Study Hall, ugh!

Sophomore year at Cleveland is always a lot of fun. It's fun because you're not a freshman anymore and you don't have to put up with all of the joking and teasing which comes with being a "nujay."

Sophomores finally figure out where all of the different rooms are located and discover all of the tricks and ways of being a big high schooler. But they don't have the worries of graduation and proms, yet like the upper classmen, things gradually come to them. Being a Sophomore is a nice way to be; when their first year is over and they are looking forward to the next two years at Cleveland, which brings many dreams and ambitions.

Why are you taking MY picture?

CLASS OF 1976

Being a Junior is closely related to that of a middle child in a family. You're too young to give orders, yet too old to be told what to do. So you have to make the best of the year, and have fun doing it.

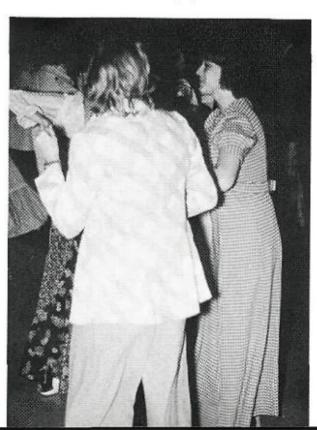

This year was a very active year for the Class of 1976. First, Mr. Kauffmann and Mrs. Overton were chosen as sponsors. The class couldn't have picked a better pair. Then Bill Martin and Debbie Eads were elected as class officers. "Spirit of 76"

The ordering of Senior rings was very special this year. An artist from the Herff-Jones Co. specially designed the rings for Cleveland, which meant that they could not be purchased from any other company with this unique de-

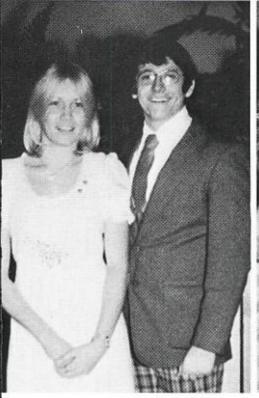

sign. The founding date of the school was placed on the rings. The Castle and a windmill together were put on the opposite side.

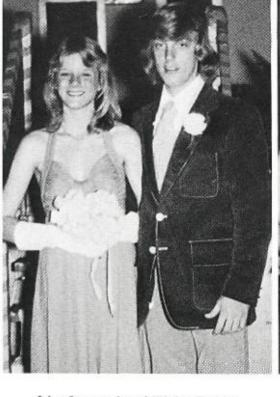

The prices of the rings ranged from \$40. to \$75, which was higher than previous years. This price was due to the price increase of gold. With all of the different options from which to choose, it was difficult to decide which ring to buy. Finally, when the ring dance was held on March 11, all Juniors proudly wore their rings showing that next year they would be

Seniors shared four special years.
But all things must come to an end.
Together we expressed our wishes and fears.
Of the mystical future we must begin.

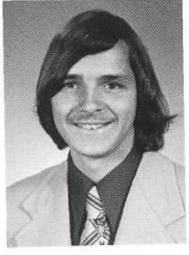

In our minds we shall never forget
Our teachers, the school and the Class.
We know we have not a thing to regret,
Except how quickly the years have passed.

In our souls and in our minds, We shall be able to revive, The wonderful thoughts and times, Of our class, the Class of 1975.

"Fooled you! We're in the Air Force."

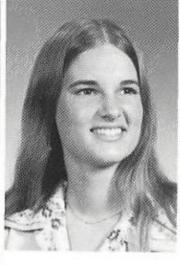

It takes three years of embarrassement, walking down the halls with our head bent, getting used to new people, teachers, and classrooms to finally realize we are what we are, and that we shouldn't be coy about what we can be. Then after we accept all of this, what happens? It's time to leave. But when we walk out of those doors we will take many precious things with us. More precious than paper or cloth are such things as honesty, sincerity, and courage to face the challenges other won't. This is the Class of 1975.

"I just hope that I can, ugh ... I can find my classes."

On October 31st, weird things started to roam through the Castle halls. It was Senior Spook Day and everything from wicked witches to crazy-colored clowns came to "haunt" the underclassmen. Even a gigantic can of beer showed up. That was one of the many days to remember for Cleveland's Class of "75."

November 23rd was one of those nights when it was not too cold and it was not too hot. It was just great weather to do anything. This was a stroke of luck for the Senior Class, because the members of the class decided to sponsor a hayride for that night at Valley Mount Ranch. About 50 people showed up, which was just the right number for two wagons. With all of the hay tossing, the hayride was a blast, and it was hard to tell who was on which wagon.

After the hayride some adventurers did a little dancing in the barn, and some left to go out and eat. It was a good time spent by all.

SWEETHEARTS FOR A DAY.

It all happened on February 14, 1975. All day long, many Seniors rushed nervously to arrive on time for one particular event. Weeks of planning by each individual took place, along with the rushing to get tickets. Still some didn't make the great decision until three days before, and even that night! What was the great historical event? No! It was not the St. Valentine's Massacre, but something of greater importance. The time for the Senior Prom had arrived. The Class of 1975 held their prom at the Red Carpet Inn. It was a night of enjoyment and relaxation for all. Although the food didn't hold the highest ranking, what can you say when you're starving? The climax of the prom was the arrival of the new King and Queen. As the end of the prom neared, the Bob Kubin Band played the last dance for all sweethearts. The clock struck twelve. It was all over. BUT the day had been ours.

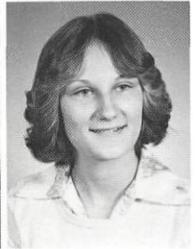

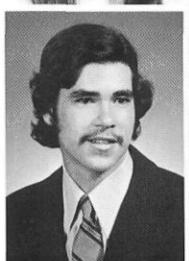

Our Senior Prom was like ...

Through the efforts of the Seniors Class, on December 5th, the Red Cross came to show pupils, 17 and older, two films explaining the importance of giving blood. To be considered for blood donations, you had to weigh 109 pounds and be physically healthy. Two weeks later the Red Cross came back with their blood mobile to receive pints of blood.

The Castle's first graduation took place in June, 1916 with thirty-five seniors receiving their diplomas. This year, more than six-hundred seniors received their diplomas at Kiel Auditorium and walked out of Cleveland to initiate their new lives in their own way. All of them will have a great deal of memories about which to laugh and to think later on in life. Remember all of the parties, the plays, the coronations, the wild aud sessions and the proms. Who can forget the senior trip? Do you remember the great feeling you had when C.H.S. won a game at any sports event, and the not so great feeling there was when we lost? With all of the activities Cleveland had to offer, it was easy to get involved with the school. This involvement helped you to gain confidence in yourself and made you proud to be a Cleveland Dutchman.

Elusive Butterfly

You might wake up some morning, To the sound of something moving Past your window in the wind. And if you're quick enough to rise, You'll catch the fleeting glimpse Of someone's fading shadow. Out on the new horizon, You may see the floating motion Of a distant pair of wings. And if the sleep has left your ears, You might hear footsteps Running through an open meadow. You might have heard my footsteps Echo softly in the distance Through the canyons of your mind. I might have even called your name As I ran searching after Something to believe in. You might have seen me running Through the long abandoned ruins Of the dreams you left behind. If you remember something there That glided past you followed Close by heavy breathing,

Don't be concerned, it will not harm you.

It's only me pursuing something I'm not sure of.

Across my dream, with nets of wonder,

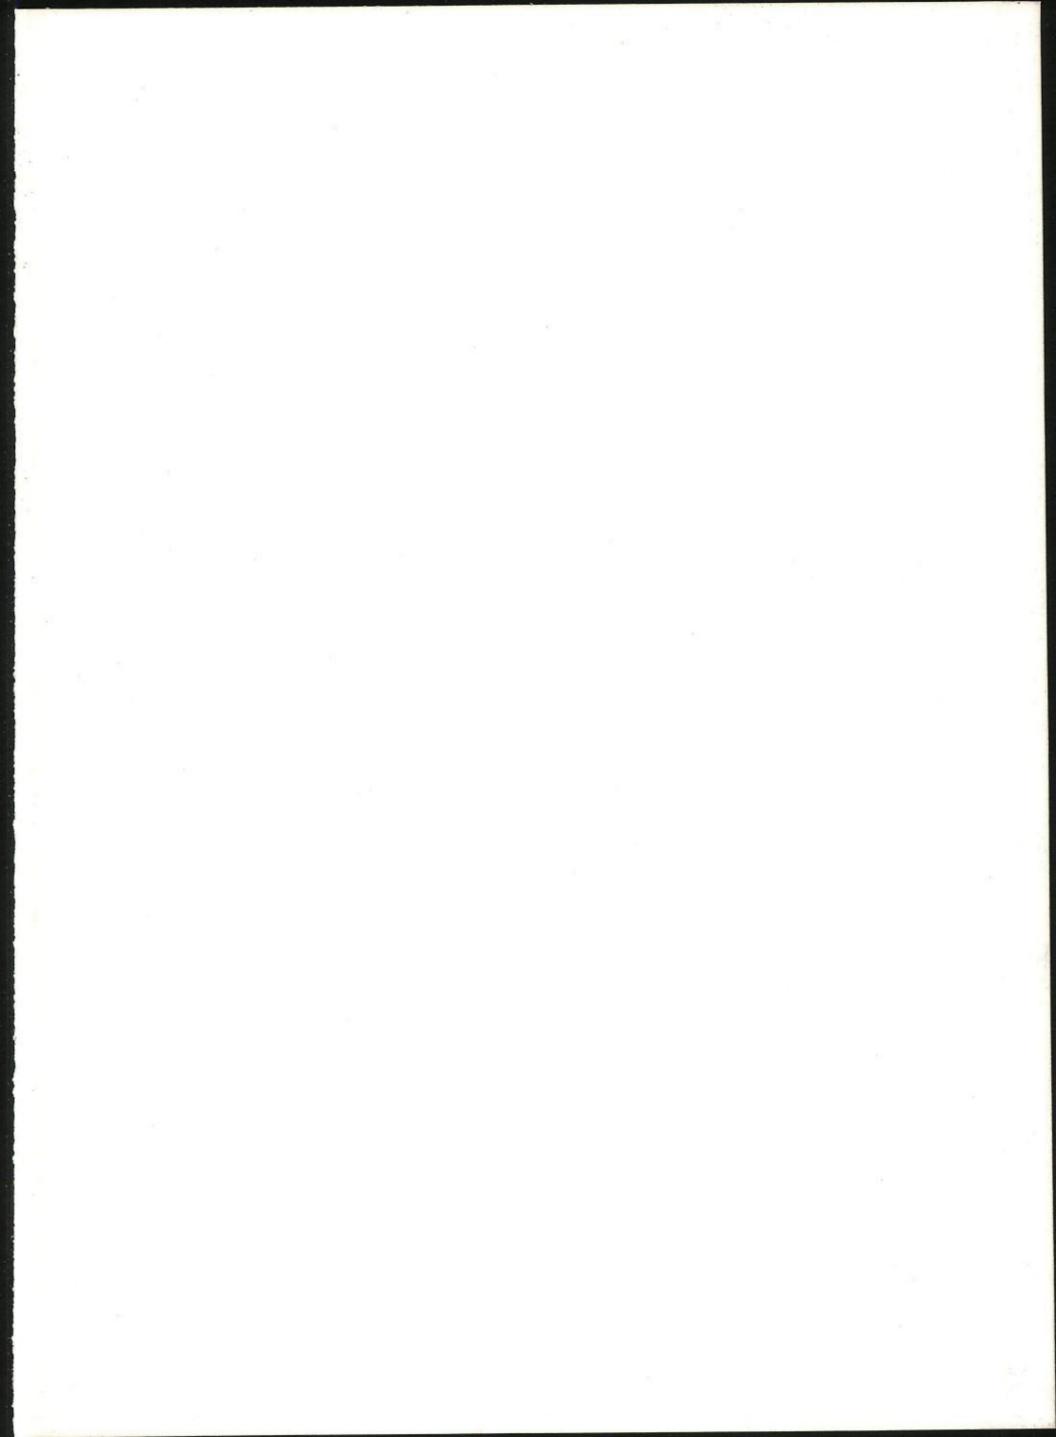

I chase the bright eleusive butterfly of love.

And so end another school year. It is now time for us to go on our own way, chasing our own "bright elusive butterfly of love." A yearbook is more than print on paper, it is people. People who appear within, as well as, people who aid in making the book possible. I would like to thank AMERICAN YEARBOOK COM-PANY, and especially their representative, Mr. James Combs, who was of great assistance when technical difficulties arose. To VIN-CENT PRICE STUDIOS, who were always ready with a helping hand when needed, goes a sincere thank you. The support shown by our ADMINISTRATION and FACULTY, particularly our sponsors Mrs. LORETTA BOOTH, BEACON Financial Sponsor and MR. RANDOLPH C. CORNELL, BEACON Editorial Sponsor was greatly appreciated. Last, but not least, I would like to express my deepest gratitude to the BEACON Staff, without whom this yearbook could not have been as successfully completed. As the closing note, I would like to present to you the 1975 BEA-CON in the hope that it will help to preserve many fond memories of this year.
